## Notice of Deficient Proof of Claim Submission

## Dear Claimant:

We have determined that the Proof of Claim and Release Form ("Claim") that you submitted in connection with the settlement obtained in In re Teva Securities Litigation (Case No. 3:17-cv-00558 (SRU) is deficient or ineligible for the reason(s) identified below. To resolve those deficiencies, you must submit, postmarked no later than the Response Deadline printed at the top of this Notice, a written response with any required documentation, as specified below, together with a copy of this notice. If you fail to do so, your Claim will be rejected to the extent that those deficient conditions remain uncured. This Notice is the only notice that you will receive with respect to the Claim identified at the top of this Notice.

PLEASE NOTE: The Court-approved Plan of Allocation of Net Settlement Fund (the "Plan of Allocation"), which governs the administration of all proofs of claim submitted in connection with the settlement, is set forth in Appendix A of the Long-Form Notice of Pendency and Proposed Settlement of Class Action (the "Long-Form Notice"). The Long-Form Notice may be viewed on or downloaded from www.TevaSecuritiesLitigation.com.

Ineligibility Condition: No Supporting Documentation.
Your Claim sets forth Class Period purchases/acquisitions of Teva Securities but does not include any documentation to support those transactions.

How to Resolve: This condition of ineligibility may be resolved by submitting acceptable documentation to support each transaction, including each holding amount set forth in your Claim. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. Self-generated documents are not acceptable.

PLEASE NOTE: Curing this condition of ineligibility in its entirety or in part is an absolute requirement for your Claim to be eligible to participate in the settlement. If the deficiency is cured only in part, your Recognized Claim will be calculated based on the Recognized Loss Amounts for the transactions for which acceptable documentation was submitted. If other deficiencies have been identified and you cure them, your Claim still will not be eligible, unless this deficiency is cured at least in part and, to the extent that it is cured, the Recognized Claim calculates to a loss, as set forth in the Plan of Allocation.

Deficiency: Trade Discrepancy/Claim Does Not Balance.
Your Claim does not balance. For each eligible Teva Security that you purchased or acquired during the Class Period (i.e., February 6, 2014, through May 10, 2019, inclusive) the total of beginning holdings, if any, plus Class Period purchases must equal the total of ending holdings, if any, plus Class Period sales. This discrepancy applies to your purchases or acquisition listed below:

| Quantity | Type of Transaction | Type of Security |
| :---: | :---: | :---: |
| 200000.00 | Holding Difference $02 / 16 / 2022$ | 2026 Notes |

For additional information, please reference the Plan of Allocation.
How to Resolve: You must provide additional transactions and/or holding amounts that will bring your Claim into balance, together with acceptable documentation supporting them.

PLEASE NOTE: To the extent that you do not cure the deficiency identified, the transaction(s) that make up the discrepancy will be rejected, along with any corresponding transaction(s) according to the required First In, First Out ("FIFO") matching described in paragraph 16 of the Plan of Allocation, and those transactions will not be considered in the calculation of your Recognized Claim amount pursuant to paragraph 15 of the Plan of Allocation. Your Claim will still be processed to the extent that it is otherwise eligible as a partial claim.

Deficiency: No Recognized Loss Unless Defects Are Cured.
In accordance with the Plan of Allocation, your Recognized Claim does not calculate to a loss due to certain defects listed in this letter. As a result, it is not eligible to receive a distribution from the Net Settlement Fund.

How to Resolve: This condition of ineligibility may be cured by resolving the other defects listed in this Notice and/or by submitting additional transactions that occurred during the Class Period that were not previously reflected in your Claim and that will cause your Recognized Claim to calculate to a loss. You must also support any additional transactions with acceptable documentation. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. Self-generated documents are not acceptable.

PLEASE NOTE: In order for you to be eligible to receive a distribution, your Recognized Claim must calculate to a loss as set forth in paragraphs 3 and 15 of the Plan of Allocation.

PLEASE ALSO NOTE that, even if you cure the identified deficiency(ies), your Claim must have a "Recognized Claim" amount (which, as defined in the Plan of Allocation, is the sum of the "Recognized Loss Amount," as defined in the Plan of Allocation, calculated for each purchase or acquisition of eligible Teva securities) to be included in the list of eligible claims presented to the Court for approval.

If you disagree with the deficiency condition(s) identified in this Notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim. To request Court review of your Claim, you must send, postmarked no later than the Response Deadline, to the Claims Administrator at the address printed at the top of this Notice, a letter that must: (1) include a copy of this Notice; (2) specifically state that you request Court review of the full or partial rejection of your Claim; (3) state in full the bases for your contest of the full or partial rejection of your Claim; and (4) include any and all supporting documentation. If the dispute concerning your Claim cannot be resolved thereafter, your Claim will be presented to the Court for review. Should that occur, your Claim and your contest letter, together with the supporting documentation (with financial account numbers and certain other information redacted), may be filed with the Court and be available to the public. PLEASE NOTE: COURT REVIEW SHOULD ONLY BE SOUGHT IF YOU DISAGREE WITH THE CLAIMS ADMINISTRATOR'S DETERMINATION REGARDING YOUR CLAIM.

If you have any questions about this Notice or if you want to confirm the status of your Claim after you submit a response to this Notice, please contact us at the toll-free number or email address noted above.

Sincerely,
Claims Administrator
